WELCOME FAMILIES

Dear Families,

Thank you to everyone that has expressed interest in Pope St. John Paul II Catholic Academy. We appreciate everyone who attended our 'Open Houses', informational meetings, asked questions and were engaged in the process as we developed our vision into a reality.

We are proud to announce that enrollment continues to grow daily and we are looking forward to a successful beginning as we meld our communities into one family. We encourage you to enroll your children as soon as possible as 6th grade and 8th grade on the South Campus have reached their capacity. Our North Campus does have limited openings in both of those grades currently. Remember a registration is incomplete until the registration paperwork and fees have been turned in to the school.

We have put together a short information sheet to address the questions that seem to pop up the most. We hope this helps and look forward to answering any other questions you may have as we complete this year and move into our inaugural year as JP II. Please address your questions to your current school or one of the pastors. Please refer to the attachments.

Once again, thank you for your support, enthusiasm and commitment to Catholic education as we move even closer to our vision for Pope St. John Paul II Catholic Academy. We look forward to our Catholic tradition of providing excellence in education.

Sincerely,

The Administrative Team
