

Rockford Diocese
Acceptable Use Policy Grades 3-8

Purpose

Pope St. John Paul II Catholic Academy has computers linked to the Internet and a school wide network. The use of these resources is for student learning. In keeping with the Children's Internet Protection Act (CIPA), every effort shall be made to provide a safe learning environment including Internet security software. However, it is impossible to fully control all information available to students. Pope St. John Paul II Catholic Academy has this Policy as a guide to behavior that is expected when using these resources. This Acceptable Use Policy:

- Establishes the privilege and reason for using these resources
- Gives direction for acceptable use of the resources
- Ensures fair and just use of the resources
- Provides guidelines for the protection and reliability of the school network
- Informs the students of penalties for violating these guidelines

Goals for Computer Use

Technology helps with learning. Pope St. John Paul II Catholic Academy uses technology to prepare the students for life in the digital world by:

- Teaching technology skills
- Combining technology use into various subject areas
- Encouraging thinking and problem-solving skills
- Supporting evaluation and synthesis of information
- Teaching fair and just use of technology

Student Responsibilities

Pope St. John Paul II Catholic Academy provides the hardware, software and peripherals for students to use in furthering their education. The use of electronic resources is a privilege. It is the student's responsibility to use the equipment correctly and respect the property of others as outlined in this Policy. A student should report any problems noted with hardware or software to his/her teacher.

Policy Terms

The following rules are to be followed. The Rockford Diocese Office of Catholic Education or Pope St. John Paul II Catholic Academy may add additional rules and restrictions at any time.

- All Internet and electronic resources are to be properly cited. Students are to respect the property of others.
- Although Pope St. John Paul II Catholic Academy has Internet security software in place, no Internet filter is 100% secure. Any site that makes the student feel uncomfortable is to be brought to the immediate attention of the teacher, librarian or adult supervisor immediately.
- Do not use the equipment to bully, threaten, embarrass or annoy an individual(s).
- Do not use profane, vulgar or rude language or material.
- Do not publish false information about another individual.
- Do not publish photos or videos of individuals without permission of the teacher.
- Do not give out personal information such as name, address, age, phone, or personal description about yourself or others.
- Do not share your password or guess others' passwords.
- Do not attempt to access files other than your own.
- Do not install, download, delete, upload or change any software, including preferences.
- Do not attempt to repair any hardware. Report any damage or changes to equipment to the teacher.
- Do not access sites on the Internet other than those necessary for the assignment.
- Do not attempt to access social networks, e-mail or live communications.
- Do not burn copies of software.

System Security and Reliability

Network security is a high priority. Users must abide by the school's Policy for using personal digital assistants (PDAs), calculators, gaming devices, cell phones, digital cameras and any other electronic device. Access will be determined by the school administration. Pope St. John Paul II Catholic Academy or the Rockford Diocese Office of Education has the right to monitor the use of all electronic equipment and to change or add additional rules and regulations at any time. Users must be aware that the following are not allowed:

- Unauthorized access to the network through another user's account
- Wasteful use of technology resources, such as file space and unnecessary printing
- Introduction and spreading of computer viruses
- Using the network in a way that could be disruptive to other users
- Leaving open files or network connection unattended or unsupervised

Students should not expect privacy in their use of computers and school resources. Any misuse of the school's computers and technology resources must be reported by the student to the Network Administrator or teacher immediately.

Penalties

A violation of this Policy may result in any or all of the following:

- Loss of school network and Internet use
- Disciplinary action up to and including issuance of a detention, suspension, or expulsion
- Parents will be held responsible for any monetary charges that result from student misuse of equipment where damage was caused intentionally or recklessly.
