Whenever a copy of and/or information regarding the record is requested, the receiving school shall be alerted to the fact that the record is that of a missing person. Pope St. John Paul II Catholic Academy shall immediately report to the Illinois State Police any request concerning flagged records or knowledge as to the whereabouts of any missing person. ARRIVAL

Students are not to arrive at school before 7:45 a.m. unless they arrive for 7:30 breakfast. Pope St. John Paul II Catholic Academy is not liable for student safety/accidents prior to 7:45 a.m. Teachers assist in the arrival of students at each campus as assigned.

According to Diocesan guidelines Pope St. John Paul II Catholic Academy was inspected and received the full report on the "Asbestos Management Plan" for the school.

ACADEMIC HONESTY

Students are expected to make their best effort on all work. They do their own work in all situations, i.e., tests, homework, projects, etc. Cheating, in **any** form, on tests, homework, projects, etc., is a serious offense at Pope St. John Paul II Catholic School

and is not tolerated. A grade of “**zero**” is given and a detention is issued if a student is caught cheating.

Any behavior that can be defined as dishonest represents a violation of the mutual trust and respect essential to a Catholic education. Students who are dishonest in any way should expect to be confronted by their teacher and be subject to appropriate consequences.

ATTENDANCE

Students who are enrolled are required to attend daily during the regular school term. Prolonged absence or irregular attendance may cause the student to become subject to failure. Parents and students should be aware that absences due to vacations are discouraged in that they affect student learning. Work missed by the student must be made up upon return to school. **Parents do not request homework in advance.**

If parents are picking up their child early from school, please contact the office in advance, so they can be ready in the office for pickup.

Procedure to follow when a student is absent:

- Parents are required to phone the school office (630-844-3781) each day before 9:00 am to report an absence, leaving the child’s name, grade and reason for the absence. Parents are called regarding the absence if the school office is not notified by 9:00 am. School voice mail is available 24 hours a day.
- Homework assignments should be requested when the office is notified of the absence.
- If a student must leave school before regular dismissal time, the office must be notified. A student is never to leave the school on his or her own, but must be signed out at the school office by a parent or other authorized person.
- Doctor and dental appointments should not be scheduled during regular school hours. If in special cases, such appointments are necessary, arrangements should be made in advance and the office secretary notified. Students are released only to their parents or guardians. ABSENTEEISM AND TRUANCY POLICY

The Illinois School Code (5134B) requires that any school, including a nonpublic school, receiving public funds through participation in the federal/state milk, breakfast, and/or lunch programs shall develop and communicate to its students and their parent or guardian, on an annual basis, an absenteeism and truancy policy, that contains certain provisions. The following is the Absenteeism and Truancy Policy to be implemented by those schools participating in the federal/state milk, breakfast, and/or lunch programs.

Definitions

1. "Valid cause" for absence includes:

the student's illness, including the mental or behavioral health of the student,
the student's attendance at a verified medical or therapeutic appointment or
appointment with a victim services provider (with a note of attendance provided to the
school upon student's return),
the student's observance of a religious holiday,
death in the student's immediate family,
the student's attendance at a civic event,
a family emergency,

As determined by the school administrator, such other situations beyond the control of
the student, or such circumstances which cause reasonable concern to the student's
parent for the mental, emotional, or physical health or safety of the student.

Any medical condition causing the student to miss 3 or more consecutive days of
school requires the student to provide a note from a physician upon return to school.

If the student is an expectant parent or parent, "valid cause" for absence includes
the fulfillment of a parenting responsibility including, but not limited to, arranging and

providing child care, caring for a sick child, attending prenatal or other medical appointments for the expectant student, and attending medical appointments for a child,

If the student is a victim of domestic or sexual violence, "valid cause" for absence includes addressing circumstances resulting from domestic or sexual violence, including, but not limited to, experiencing domestic or sexual violence, recovering from physical or psychological injuries, seeking medical attention, seeking services from a domestic or sexual violence organization, seeking psychological or other counseling, participating in safety planning, temporarily or permanently relocating, seeking legal assistance or remedies, or taking any other action to increase the safety or health of the student or to protect the student from future domestic or sexual violence. A school administrator may require a student to verify his or her claim of domestic or sexual violence prior to approving a valid cause for an absence of 3 or more consecutive days that is related to domestic or sexual violence.

2. A "truant student" is one who is subject to compulsory school attendance and who, without valid cause, is absent from such attendance for a school day or portion of the school day, when such absence amounts to more than 1% but less than 5% of the past 180 school days.

3. A "chronic or habitual truant" is defined as a student subject to compulsory school attendance and who, without valid cause, is absent from such attendance for 5% or more of the past 180 regular attendance days.

4. "Truant minor" is defined as a chronic truant to whom available supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs and other school and community resources either have been offered and refused, or have failed to result in the cessation of chronic truancy.

Policy

1. School attendance is compulsory in the State of Illinois. The responsibility of compliance with the law belongs to the parents, but the school is required to keep a record of daily attendance. The record is placed in the student's permanent file at the end of each school year.
2. A student who is subject to compulsory school attendance shall not be absent from attendance without valid cause. A student who is absent without a valid cause listed above is a truant student.
3. When a student is truant: The School administrator or delegate shall be in contact with the parent/guardian and the student when a student is absent without "valid cause", when the school has not been notified by a parent/guardian of the student's absence and reason, when the student returns to school after an absence without a written doctor's or with a note of questionable validity, or when the student continues

to be absent for no apparent reason. The School's contact with the parent/guardian is for the purpose of determining the reason for the student's absence and further discussion if the absence is without valid cause. If the parents/guardians cannot be reached, the School will contact all parties listed as emergency contacts in the student's file. If the administration is unsuccessful in reaching the parents/guardians or the emergency contacts, the School will notify police and request a well-being check on the student/family.

4. The School is to determine the reason or cause for a student's unexcused absences by interviewing the student, his or her parent or guardian, and any school officials who may have information about the reasons for the student's attendance problem.
5. When a student is truant or chronically truant, the School will use the following diagnostic procedures to identify the causes of unexcused student absenteeism: Interviews with the student, meetings or requests for meetings with the parent/guardian, and meetings with any school officials who may have information about the reason for the student's attendance problem. The school is to offer the following interventions and supportive services for the truant student and chronically truant student: meet with the student, and meet with or request to meet with the student's parent/guardian to persuade the family and the student to regular attendance, encourage heightened engagement in School activities by the parent/guardian and student, and suggest student counseling with the school counselor if one is provided by the School, or with a specific outside provider or providers, family counseling with the Diocese of Rockford Catholic Charities counseling office or with a specific outside provider or providers, and provide parents with information about existing community services that are available to the student relative to his or her needs. The School is not required to pay for any services. Where the student is chronically truant, the above steps will be repeated.
6. **When efforts to persuade the student to regular attendance fails, and the student's absences without "valid cause" exceed more than five percent (5%) of the total student attendance days in the school year, the student is deemed a truant minor and written notice shall be sent to the parent/guardian stating that the student's truancy is being reported to the Illinois State Board of Education. This may be done through the truancy department of the Regional Office of Education. Additionally, the School may drop the student from enrollment.**
7. The School is required to regularly collect and review its chronic absence data and determine what systems of support and resources are needed to engage and encourage the habit of daily attendance for chronically absent students and their families to promote academic success.
8. The School is required to post this *Absenteeism and Truancy Policy* on the School's website and include it in the School's Parent/Student Handbook. School administrators are also required to notify parents where/how this policy can be

accessed by providing them with the **URL** address. This policy is also published on the Education page of our Diocesan Catholic Education Website.

9. The School is required to submit its Absenteeism and Truancy Policy to the Illinois State Board of Education; and to review and re-evaluate its Absenteeism and Truancy Policy every two years and submit its revised policy or a letter to the Illinois State Board of Education stating the policy was re-evaluated and no changes were deemed necessary. This statement must be submitted electronically to the Illinois State Board of Education via their Web Application Security system no later than September 30 of the year it is due. *Reviewed December 2, 2022*

BULLYING (DIOCESEAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 2023

Any action, word or behavior which harasses, intimidates or causes physical, emotional or psychological harm to another student or students is strictly prohibited, whether the action, word, or behavior is based on a person's characteristic(s) or other matter. This prohibited conduct also extends to the use of technology ("Cyber bullying") as a tool to harass or cause harm.

Bullying is prohibited during any school-sponsored education program or activity; while in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities; or through the transmission of information from a computer, a computer network, or other similar electronic device equipment. However, this policy is not limited to conduct that occurs on the premises of the Diocese school or during school hours or school activities.

"Bullying" means any severe or pervasive physical or verbal act or conduct, including made in person, in writing, or electronically ("cyber bullying"), directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

- (1) placing the student or students in reasonable fear of harm to the student's or students' person or property;
- (2) causing a substantially detrimental effect on the student's or students' physical or mental health;
- (3) substantially interfering with the student's or students' academic performance;
or
- (4) substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. Examples of "cyber bullying" include but are not limited to the use of e-mail, web sites, text messaging, posting or sending of electronic photos or videos on social media or "Apps" (i.e. Face Book, Twitter, Instagram, WhatsApp, Snapchat, etc.) to harass or intimidate. These lists are meant to be illustrative and non-exhaustive.

Reporting the conduct:

Any School employee who is made aware of conduct which violates this policy, or who receives a report of bullying, shall promptly report this information to the School administrator and, in the administrator's absence, to the administrator's designee, assistant principal, or dean of students. Any parent/guardian who has information that bullying involving a student(s) of the School is occurring shall promptly notify the School of this information.

Notifying the Parents/guardian:

Within 24 hours of the School being made aware of a reported bullying incident, the school administrator shall notify the parents/guardian of each of the students reportedly involved. The School administrator shall make diligent efforts to notify a parent/guardian using all contact information available to the school or which the school within that 24 hours can reasonably obtain.

Investigating:

The School administrator shall investigate the matter, may involve school support personnel or others as deemed appropriate, and will make reasonable efforts to complete the investigation within 10 school days of the date the report is received by the School. However, information may be discovered during the investigation which extends the investigation beyond 10 school days.

Students who violate this policy will generally be subject to the discipline policy of the student's school, but where the nature or extent of the conduct warrants, violators of the policy may be subject to suspension and/or expulsion.

The School administrator or designee will provide to the parents/guardians of the students who are parties in the investigation (parties are the student(s) reported to be the target of the conduct, and the student(s) reported to be committing the conduct) information about the investigation and an opportunity to meet with the school administrator or designee to discuss the investigation, the investigation findings, and actions or interventions taken to address bullying, adhering to privacy rules and laws. To the extent appropriate, the School will identify to the parent(s)/guardian(s) of the involved student(s) school- or community-based resources, if available, to assist the involved student(s). The School may require the parent/guardian of the involved student(s) to participate in community-based resources for the involved student(s).

Procedure:

This policy is to be distributed annually by each Diocesan School to the school's students, their parents/guardian, and school employees, and to new employees when they are hired. If the School has a website accessible to the public, the policy is to be

posted there as well. If the School has a student or family handbook, it is to be posted there as well. If the School posts policies, rules, or standards of conduct in the School, it is to be posted there as well.

Effective with the August 11, 2023 revision, this policy will be reviewed every two years.

BUS CONDUCT EXPECTATIONS FOR FIELD TRIPS

Students on field trips are to conduct themselves in a respectful manner at all times. The bus driver is not responsible for the supervision of students before entering or after leaving the school bus. Students are expected to refrain from conduct that would endanger other students or property or would be otherwise disruptive. The following rules and regulations govern bus conduct:

- Bus riders are expected to be respectful, responsible, and courteous at all times.
- Riders shall remain silent when the bus is approaching and crossing railroad tracks.
- Eating and drinking are prohibited on the bus.
- Riders shall remain in a normal, seated position while the bus is in motion.
- Cell phones are not allowed.

CARE OF MATERIALS

Students must take good care of both school materials and their own personal things. Students who deface, destroy or lose school books or materials **may be required to pay for them**. Each student must have and use a backpack to carry materials to/from school. The student's name should be marked in permanent marker on the bag. Students may be required to purchase supplies during the school year as the need arises.

CELL PHONES/ELECTRONIC DEVICES

Cell phones should be in the off or mute position during the hours of 7:45 AM and 3:00 PM and during Faculty Meetings. If a teacher anticipates a call during the school day or during a meeting due to an emergency, he/she should notify the Head of School / Assistant Principal at the beginning of the day. At no time when teachers are in the presence of students should they be involved in texting, talking on their cell phone or updating social media status.

Due to the allure of social media and games as well as the potential for bullying and cheating, all student cell phones should be kept off of the student's person and powered off, preferably in a location in the classroom specified by the teacher like a pocket chart or phone caddy. Grades PreK-4 are not allowed to have cell phones in school. Any cell

phones found on students should be immediately turned in to the Administrator as directed by their teacher.

Teachers do not use their cell phones during the school day when with students. In cases of emergency, teachers arrange for the supervision of students.

****Teachers should email parents and confirm that your students have a cell phone at school, do not have a cell phone at all, or leave their cell phone at home.****

CHANGE OF NAME, ADDRESS, PHONE

Parents are to notify the school office secretary **immediately** concerning any changes of name, address or phone number(s). Accurate records must be kept in the school office.

CHILD ABUSE/NEGLECT – ALLEGATIONS/SUSPICIONS

When school personnel suspect child abuse or neglect by a person responsible for a student's welfare, they shall follow procedures of the State of Illinois and report the suspicion to proper authorities and notify Pope St. John Paul II Catholic Academy administrators.

CHILD CUSTODY (DIOCESEAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

Regardless of whether one or both parents has custody of a student, both parents have the right to inspect and receive a copy of school records and reports, in the absence of a court order to the contrary.

The school will release a student to either parent, unless the school has a copy of a court order giving one parent the exclusive custody.

Procedures:

The school abides by the provisions of the FAMILY EDUCATION RIGHTS AND PRIVACY ACT with regard to parents' right to access of their child's school records. The school also abides by the provisions of the Illinois law regarding the right of access of non-custodial parents to his or her child's school records.

Release of school records to the non-custodial parent cannot be conditioned upon the approval of the custodial parent unless there is a court order requiring such approval. The custodial parent has the responsibility to provide the principal with an official copy

of a court order affecting the parent's child and/or restricting the other parent's rights to access the school, the child, or the child's student record.

Unless informed otherwise in writing, and with adequate evidence that a parent is not permitted to have unqualified access to the child, the school may release a child to a non-custodial parent after school hours or allow said parent to visit a child outside the school hours.

A school should give a non-custodial parent the opportunity for a Parent-Teacher Conference upon request, at a time other than that of the custodial parent.

If a school has on record a court order indicating the limited visitation right or no visitation rights and a parent makes an application to volunteer in the school, the principal need not accept the application. If a principal judges that a parent who has limited visitation rights is volunteering to increase contact with the child, the principal should notify the custodial parent and have the custodial parent resolve the issue.

In cases of joint custody where one parent is in charge of education, unless the court order indicates that the other parent forfeits rights to the student record, the parent who is not in charge of education of the child is not denied access to the record.

Schools may wish to attach a notice to the registration form requesting that parents notify the school of any special arrangements regarding child custody.

Divorce, Disputes between Parents of a Child, Subpoenas, Requests for Information about Students:

All subpoenas issued to a school, a teacher, or a principal are to be forwarded to the Diocese's General Counsel.

A parent's request that a teacher or other school personnel keep notes on a child's performance or behavior for the parent's use in a divorce or custody dispute are to be denied.

Administrators are encouraged to consult with the Diocese's General Counsel whenever disputing parents of a student request the School provide testimony, keep notes on a student, or otherwise participate in the divorce proceedings of parents or custody proceedings of a student.

COMMUNICABLE DISEASES

COMMUNICABLE DISEASE GUIDELINES

Guidelines for the exclusion and re-admittance of children with symptoms of communicable disease are:

1. Children will be excluded from school for any of the following symptoms:
 - a. Fever over 100
 - b. Vomiting or diarrhea
 - c. Undiagnosed rashes
 - d. Red/running eyes (suspected pink eye)
 - e. Undiagnosed swollen glands
 - f. Signs of upper respiratory infection (serious enough to interfere with your child's ability to learn)

2. Children that have been absent due to a communicable disease may return to school if either of the following conditions have been met:
 - a. Release from a medical doctor
 - b. Fever, rash and/or other symptoms of the disease are completely gone for 24 hours.

COMMUNICATION

Parent/Teacher

Parents are encouraged to communicate with the teachers in the school. Any parent who wishes to talk to a teacher should make an appointment by telephone, e-mail or by letter. Our teachers are not able to respond to emails during the day; they are teaching. Teachers are asked to respond to email communication within 24 hours of receiving it. All email communication is written respectfully. If questions and/or concerns cannot be satisfied by talking to the child's teacher first, you may then contact the principal. Questions pertaining to general school operations are directed to the Assistant Principal or Head of School.

Family Communication Etiquette

If a family calls with concerns about a student, ask them if they have contacted the teacher first to discuss the concerns. Chain of Command:

1. Teacher
2. Principal
3. Pastor
4. Catholic Education Office (CEO)-(i.e. suspension/expulsions-Ellyn Lynch-Diocesan Lawyer)

****Families are first required to schedule an appointment with the teacher, principal, and/or social worker regarding any major concerns. **ADDENDUM**11/23**

DISCIPLINE (DIOCESEAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

POLICY ON STUDENT DISCIPLINE:

The School reserves the right to establish and enforce reasonable standards of behavior for all students involved in educational and recreational activities - whether during regular School hours, on School premises, in connection with School activities or otherwise. In the event of a violation of those standards, the School reserves the right to invoke appropriate disciplinary steps including, but not limited to, demerits, detentions,

suspensions and expulsion. The level of discipline appropriate for a violation shall be determined on a case-by-case basis in the School's discretion based upon a review of a variety of factors including, but not limited to, the severity of the misconduct, the student's academic and behavioral record and other similar criteria.

The following is a non-exhaustive list of infractions for which students may be disciplined up to and including expulsion:

1. Violation of the School's policy on gang-related activities;
2. Violation of the School's policy on drugs and alcohol;
3. Violation of the School's policy on weapons;
4. Violation of the School's rules and regulations.
5. Any other conduct considered by the School to be contrary to the best interests of the School, its faculty, and/or to the School's mission.

DISCIPLINE (SCHOOL) **DISCIPLINE POLICY-ADDENDUM 11/10/23**

The primary objective of our discipline policy is to continue a responsible and orderly environment in which learning can be maximized. Any disciplinary action taken must have as its aim correction, rather than punishment.

In all matters relating to the discipline in and conduct of the school and the children, the teachers and administrators stand in the role of parents and guardians throughout the school day. In taking disciplinary action, staff members will exercise their best professional judgment. Disciplinary actions will be applied in a consistent and non-discriminatory manner.

In the classroom, in order to get a student back on task, the teacher can make eye contact, physical proximity ("moving in"), stopping and waiting, and as a last resort, speaking quietly and directly to the student at his/her desk is helpful. Ideally, talking to the student privately can be the most effective way to correct their behavior.

Minor behavior problems will be dealt with by the classroom teacher or adult supervisor. Major behavioral problems should be referred to the building Principals. At the discretion of the Principal, parental contact will be made for serious behavior infractions.

Disciplinary Actions/Consequences for Grades PreK-3: (ADDENDUM 11/10/23)

First Offense: Temporary removal from classroom (i.e. teacher may put the student out in the hallway, but they must be supervised)-Length of removal from class is determined by teacher.

Second Offense: Temporary removal from classroom (i.e. teacher may send the student down to the office)-Length of removal from class is determined by principal

Third Offense: Lunch/Recess Detention (Main Office)

Fourth Offense: Students can be removed from the school environment. Parents will need to come pick up the student for being a disruption to the learning environment.

A student must be advised of the misbehavior which may result in the removal from class, detention or suspension and given an opportunity to respond to the misbehavior. If the student denies the misconduct, he/she will be advised of the basis for the teacher's and/or administrator's belief that the misbehavior occurred, and given another opportunity to respond.

Parents and guardians will be actively involved in remediation of the student's behaviors of concern. This includes ensuring that all parents/guardians are notified whenever their child engages in aggressive behavior.

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS (PBIS)

DEMERITS

With our new FACTS SIS System, we are using demerits for student discipline. Each teacher is responsible to document all infractions in FACTS, behavior contract, sign in and sign out, etc.

Once a student has 3 demerits (any staff member), the faculty member will need to write the student a detention.

You will put the detention slip in Dr. Christoffel's mailbox to sign and send home.

The student will be assigned a lunch/recess detention or after school detention.

If a student has more than 3 demerits, the teacher and administrator will have a conference in hopes to improve behavior.

If behavior does not improve after the conference, the student will be put on a behavior contract and/or check in/check out system.

If a student's behavior does not improve and has failing grades, they could potentially be dismissed from the school.

LEVELS OF OFFENSES (Grades 4-8)-ADDENDUM 11/10/23

Any behavior not conducive to a healthy school environment will be dealt with at the administrator's discretion. Students sent to the Main Office for these types of offenses may receive immediate consequences.

A detention slip will be sent home with the student. Teachers use the designated detention form, and a copy of the detention slip is sent to the office. Students serve the detention on an assigned date. The only excuse for not serving detention is a family emergency approved by the Assistant Principal/Principal.

WOLF PASSES

Students should earn Wolf Passes for showing virtuous behavior. To earn a Wolf Pass, the students show exemplary behavior.

Once students earn Wolf Passes, they can use them as currency to shop at the Den Store on Den Days at the end of each month.

They can also donate 10 Wolf Passes and earn 20 Wolf Passes in return.

The teacher who experiences serious difficulty with a student or with the group as a whole should consult with the Head of School / Assistant Principal rather than waiting until the situation is out of hand.

DRUGS AND ALCOHOL (DIOCESEAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

Students are prohibited from using or being under the influence of alcohol or drugs while at school or at any school-related function, except that a student is permitted to use a prescribed drug in the correct dosage while at school or at any school-related function, provided the school has been properly notified by the parent/guardian of the student, and provided said use of the drug does not impair the student.

Included within the prohibitions set forth in this Policy are the following:

* Use, possession, manufacture, distribution, dispensing or sale of drugs, drug paraphernalia or alcohol on school premises or with respect to school-related activities;

* Storing in a locker, desk, automobile or other repository on school premises, or in connection with any school-related activity, any drug, drug paraphernalia or alcohol;

* Being under the influence of drugs or alcohol on school premises or in connection with any school-related activities.

The school reserves the right to require a student to undergo testing for the use of alcohol and/or drugs when a reasonable suspicion of such use exists. A "reasonable suspicion" of drug and/or alcohol use may be based upon the observation of the student's behavior, information received regarding alleged alcohol or drug use and/or other indicia giving rise to a suspicion of a violation of this Policy. A student's failure to cooperate in testing required by this Policy, or other violation of this Policy may result in disciplinary action up to and including expulsion from the school.

EDUCATION OF MIGRANT CHILDREN (DIOCESEAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

Catholic Schools in the Diocese of Rockford shall not discriminate against migrant children in the provision of education. (Plyler v. Doe)

E-LEARNING DAYS

The safety of our students and staff is a primary factor when making decisions about closing the school during inclement weather or for another serious reason. If it is decided to close the school for a traditional day of learning, teachers, parents and students will be notified via School Speak email. It will also be posted on our Facebook page. If we choose to close the school for the safety of our students and staff, traditionally, we would be required to make up these days at the end of the school year.

Instead of closing the school, we will be implementing E-Learning Days, which would allow students to continue learning without having to travel to campus and will ultimately not affect the school calendar.

You will also be notified via School Speak if it is an E-Learning Day. During an E-Learning Day, students will be given lessons they can complete on their own at home.

Students will be contacted, via School Speak or Google Classroom or See Saw to see the E-Learning Day's instructions. They can be provided with MobyMax assignments, Learning.com assignments, Google Classroom assignments or worksheets/directions that can be uploaded as an attachment on School Speak as well. Teachers will be

available to answer questions from parents and students on this day via email. Online, live lessons will be taught on Zoom or Go To Meeting and recorded to access at a later date.

If circumstances occur which prevent the student from logging in on the announced E-Learning Day (i.e.: power outage), a parent will need to call the Pope St. John Paul II Catholic Academy office and report their student being absent for the day.

If there is a situation where a student does not have access to internet at home – this will need to be communicated with the teacher in the first few days of school. Special arrangements will need to be made for this student to complete his/her work.

State or City Ordered School Closures

If school is closed due to weather or a public health concern, parents/guardians will still be responsible for payment of tuition. The education of each student will continue with virtual/remote/e-learning. Teachers will continue to plan standards-based lessons and evaluate student work. Report cards will be distributed at the end of each grading period. If a parent/guardian cannot make the regular tuition payment, the principal should be notified as soon as possible to create a payment plan.

EMERGENCY CLOSINGS

School closing and late starting times are announced on WKKD (FM 95.9 – AM 1580) or WGN (AM 720), www.emergencyclosings.com and the school's Facebook page. A message will also be sent to parents via text and School Speak email and a School Messenger phone call.

FIELD TRIPS

Educational field trips are a privilege and part of the school program. Teachers, in conjunction with the administration, can deny a student attending a field trip if the student does not meet the expected responsibilities (behavior, respect, and/or completing homework). The school requires students to conduct themselves in an exemplary manner on such field trips. Generally, school uniforms are required.

The cost of the field trips is divided equally among those attending and is paid in advance. Permission slips are sent home before a trip to be signed and returned to the school. Students not meeting the required deadline for fees and permission slips will have to forfeit the opportunity to accompany the class on this trip. **Permission by phone is not acceptable.** The principal reserves the right to exclude a student from participation in a field trip because of unacceptable behavioral patterns.

Chaperones are at least 21 years of age. No older or younger siblings may attend. Adult chaperones are expected to comply with the specific directive of Pope St. John Paul II Catholic Academy faculty/staff member (the first authority) and the Diocesan rules and regulations contained within the Pope St. John Paul II Catholic Academy Catholic School handbook. All paperwork must be on file.

FINANCIAL AID

Financial aid is available through FACTS. Please apply online. FACTS is available on the school website: www.jp2aurora.org.

GRIEVANCE POLICY

Communication among all parties within the school community is vital to the success of the school. If parents or others have a question or concern about grades, classroom procedures, homework, etc. in a particular grade, the concern should be addressed with the teacher first. If the question or concern deals with the school in general, it should be addressed to the principal. In regard to inquiries, the policy is to address concerns to the teacher first, the administration second, the Head of School third, and the diocesan office last.

GUM

Gum is not allowed in Pope St. John Paul II Catholic Academy or on school or church grounds. The consequences for chewing gum include detentions and/or fines.

HEALTH EXAMINATIONS AND IMMUNIZATIONS (DIOCESEAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

- 1. Health Exam Required. Each Diocesan school student shall have a health examination within one year prior to entering pre-school; prior to entering kindergarten or the first grade; and upon entering the sixth and ninth grades; and upon entering a school pursuant to a transfer, regardless of the child's grade level.*
- 2. Dental Exam Required. Each Diocesan school student in kindergarten, second, sixth, and ninth grades shall have a dental exam and that student's parent/legal guardian must provide proof of that exam by May 15th of the current school year. Noncompliance with this policy will result in the withholding of the students report card until the required documentation is provided.*
- 3. Eye Exam Required. Each Diocesan school student entering kindergarten for the first time or any Diocesan student entering school for the first time must present proof of an eye exam (from a licensed physician or a licensed optometrist) by October 15th of the current school year. Noncompliance with this policy will result in the withholding of the students report card until required documentation is provided.*
- 4. Immunizations Required. Each Diocesan school student shall receive such immunizations against preventable communicable diseases as are required by the Illinois School Code and the Communicable Disease Prevention Act, at the time those*

immunizations are required to be received, unless one of the exceptions listed in paragraph 5 below is satisfied.

5. Proof of Health Exam and Immunizations Required. A child's parent/legal guardian must supply proof of both the health exam and the required immunizations no later than the beginning of the school year. Where proof is not submitted, the school will notify the parent/legal guardian that he or she has until October 15 of the current school year in which to have the child examined and receive the immunizations, and present proof of the same.

6. Noncompliance with this Policy. Failure to provide proof of required health exams and immunizations shall result in the child being excluded from school until the parent/legal guardian presents proof of the exams and the immunizations, and the parent/legal guardian is deemed in violation of the Illinois School Code during the period of noncompliance.

7. Objections to Examinations and/or Immunizations.

a. A parent/legal guardian who objects to his/her child being examined and/or immunized is eligible to be exempt from exams and/or immunizations only as follows:

i. Medical Objection. Any medical objection to an immunization must be presented by a physician licensed to practice medicine in all its branches indicating the reasons, and signed by the physician on the certificate of child health examination and placed on file in the child's permanent record. Should the condition of the child later permit immunization, this requirement will then have to be met.

ii. Religious Objection. An objection based on religious grounds shall be presented to the school by the parent/legal guardian in writing signed by the parent/legal guardian, detailing the grounds for the objection. The objection must set forth the specific religious belief that conflicts with the examination and/or immunization. General philosophical or moral reluctance to allow examinations, immunizations, and/or screening shall not provide a sufficient basis for a religious exception to the requirement of exams and immunizations. Each objection will be addressed on a case by case basis. NOTE: In the event the objection to a vaccine is based on the vaccine containing aborted fetal cell lines, the school should inform the parent/guardian that the objection must be able to state that an alternative vaccine is not readily available to the parent/guardian's child.

Effective October 16, 2015, any objection based on religious grounds must be accompanied by a completed Illinois Certificate of Religious Exemption to Required Immunizations and/or Examinations Form, bearing the signatures of the parent/guardian and the health care provider who is responsible for performing the child's health examination and submitted to the Superintendent of Schools no later than October 15th of said year. The procedure and form follow this page.

b. The school shall inform the objecting parent/legal guardian of measles outbreak control exclusion procedures in accordance with the Department's rules, Control of Communicable Diseases Code (77 Ill. Adm. Code 690) at the time the parent/legal guardian presents the objection.

HISTORY

Pope St. John Paul II Academy had its beginning in the minds and hearts of a special planning committee under the direction of the Rockford Diocese. Since decreasing enrollment was a concern in several Aurora Schools, a decision was made: Pope St. John Paul II Catholic Academy opened in the 2018-2019 school year welcoming students from St. Therese, St. Peter's, St. Joseph and Our Lady of Good Counsel Schools in Aurora. This school now operates as one school with two campuses, North at 706 High Street, and South at 601 Talma St. Each of the schools participating in this merger have their own individual histories.

HOMEWORK POLICY

One of the chief means of communication between the parents and the teacher is homework. Time spent on homework varies according to the needs/ability of the individual child. If your child is finding it necessary to spend unreasonable amounts of time on homework, or has no homework, there is a problem and the teacher should be consulted.

Parents are expected to be sufficiently interested in their child's education to commit the time and energy needed to monitor/supervise the child's home study, and thereby ensure that the student completes homework assignments.

General Homework Guidelines:

- Grades K-1: 20-30 minutes
- Grades 2-3: 30-40 minutes
- Grades 4-5: 30-45 minutes

- Grades 6-8: 45-60 minutes

Written work is not the only type of homework; study and oral assignments are also given. All homework must be done consistently with emphasis on completeness, accuracy and neatness. On days when there is no specific assignment, students are expected to spend time studying material covered in class. Students should read for at least ten to fifteen minutes each night.

ILLNESS/SYMPTOMS

How to decide if you should send your child to school:

- **Fever:** If your child's temperature is 100.4 degrees or higher, keep your child at home until they are fever-free for 24 hours without medication.
- **Lice:** If you find lice on your child, please contact the school secretary immediately.
- **Mild Cough/Runny Nose:** If there is no fever, and the child feels fairly healthy, attending school is encouraged.
- **Bad Cough/Cold Symptoms:** Children with bad coughs need to stay home and possibly see a doctor.
- **Diarrhea or Vomiting:** Keep your child home until the illness is over and for 24 hours after the last episode (without medicine).
- **Sore Throat:** A minor sore throat is usually not a problem but a severe sore throat could be strep throat even if there is no fever.
- **Earache:** The child needs to see a doctor.
- **Pink Eye (Conjunctivitis):** Keep the child home until a **doctor** has given the okay to return to school.
- **Rash:** Child with a skin rash should see a doctor, as this could be one of several infectious diseases.

Be sure you fill in any chronic illnesses on the Medical form – asthma, seizures, etc. and return the form to the school office. This form was given to you at the start of the school year.

INSPECTION (DIOCESAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

Individuals entering upon the premises of the school - whether students, employees or visitors - are expected to conduct themselves in keeping with established norms for personal conduct. In order to provide students and employees with a safe and healthful environment, the school reserves the right, in its discretion, to conduct inspections of

school property, property of a student or students, and property of a visitor to the school's premises.

Included within this Policy is the right to inspect the following:

1. Lockers;
2. Knapsacks, briefcases, bags, gym bags or similar such devices brought onto or existing on school premises;
3. Vehicles on school premises;
4. Clothing (with appropriate safeguards for the individual's personal privacy);
5. Desks;
6. Other property (whether of the school, student or visitor) present on school premises.

A student's failure to cooperate with such an inspection may lead to disciplinary action up to and including expulsion.

INVESTIGATIONS REGARDING STUDENT SOCIAL NETWORKING (DIOCESAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

An elementary school or high school may not request or require a student to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website.

However, an elementary school or high school may conduct an investigation, and may require a student to cooperate in an investigation, if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, an elementary school or high school may require the student to share the content that is reported, in order to make a factual determination.

A student's failure to cooperate in such an investigation may lead to disciplinary action up to and including expulsion.

Elementary and secondary schools are required under the law to notify its students and parents of this policy, by publishing it in the school's disciplinary rules, policies, or handbook, or communicating it by similar means.

Right to Privacy in the School Setting Act (105 ILCS 75/1, et al.)

PARENTAL COOPERATION (DIOCESAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

As members of the community of Pope St. John Paul II Catholic Academy, we each have a moral and ethical obligation to foster and promote the Catholic values that our faith represents. The cooperation of parents is especially vital. While we recognize that issues may arise during the course of the school year that will be of concern to parents, the manner in which parents address their concerns through their personal conduct must be consistent with these values, whether at School and/or during any

School-related function. The failure to meet these conduct expectations shall be addressed in accordance with this policy.

While many different types of conduct by parents are unacceptable under this policy, the following are examples of conduct that will not be tolerated:

1. Disrespect to any person at School or at a School-related function;
2. Raising of voices, foul language or name-calling directed at any staff members, teacher, child, coach, volunteer, other parents, administrator, religious or clergy member;
3. Any physical assault;
4. Any other activity considered by the School's administration to be threatening or disrespectful to another, disruptive to the School and/or inconsistent with the Catholic values that the School strives to uphold.

The above is a non-exhaustive list of conduct that violates this policy. The School reserves the right, in its discretion, to determine when a violation of this policy has occurred.

Any violation of this policy, as determined by School, may result in corrective action, up to and including exclusion from School events and/or expulsion of the parent's child(ren) from the School. Corrective action that may be taken may include, but is not limited to, verbal and/or written warning(s), meeting(s) with the involved parent and exclusion from School events and/or expulsion of the parent's child(ren) from the School.

A parent who violates this policy may be warned regarding the unacceptable behavior and the School will endeavor to provide warning to a parent prior to taking more severe action. However, depending upon the involved parent's record of conduct and/or the severity of the misconduct in question, parents are not guaranteed that advance warning will be given prior to being excluded from future School events and/or expulsion of the parent's child(ren) from the School. The presence of aggravating factors (including the presence of children during the conduct in question, the severity of the behavior, a pattern or record of unacceptable behavior, etc.) shall be considered.

The decision of the Principal or Assistant Principal regarding the application of this policy may be appealed to the Pastor. The decision of the Pastor is final.

PERSONAL RESPONSIBILITY

Part of developing a well-rounded child into a successful adult is personal responsibility. Our policies regarding calls home, lunches left in the classroom, and tardiness are in place, in part, to encourage personal responsibility. You, as parents, have a role to play in this as well. Encourage your child to take ownership of his or her belongings and to be accountable for remembering his or her homework and lunch each day.

SEXUAL HARASSMENT (DIOCESAN)

This policy is from the Catholic Education Office Handbook of Policies and Procedures & Administrative Guide, Diocese of Rockford, Updated 3/6/2020.

The Diocese of Rockford has implemented a Policy Prohibiting Harassment which is found in the Diocese's Employee Handbook. This policy applies to the school setting and religious education program setting as well.

Unlawful harassment, whether of or by students or of or by staff members, presents potential liability for the schools and individual teachers. Most often the harassment that is alleged involves claims of "sexual harassment." The following is a summary of the legal principles applicable to these issues:

Harassment of Students:

Most often claims of harassment against students involve allegations of sexual misconduct against other students - and a school's liability for that conduct related to sexual matters.

Sexual harassment claims involving students typically involve allegations of a sexually "hostile environment" created by sex-related comments, slurs, double entendres, touching, etc. In order to minimize the risks arising from such claims, educational personnel who witness harassing conduct directed against students by others are required to take *appropriate corrective action* in response to those situations.

Appropriate corrective action includes investigation, disciplinary measures where appropriate, and documentation of the facts and results of the school's response. Faculty and staff are required to report suspected harassment to the Principal, as applicable. The principal is encouraged to consult with the Diocese's General Counsel on all issues involving harassment of students or staff or others.

In investigating a harassment claim, the “process” that is followed may be of assistance in appropriately responding to, and minimizing the legal ramifications of, the claimed harassment. Consideration to some or all of the following steps must be given:

1. Notify the appropriate Diocesan authorities: in the school setting, notify the Diocesan Superintendent of Catholic Schools and the Diocese’s General Counsel; in the religious education setting, notify the Director of Faith Formation and the Diocese’s General Counsel.
2. Interviewing the complainant. The interview should involve at least two representatives of the school -- one to question and the other to take notes.
 - (a) Interviews of Necessary Witnesses. As with interviews of the complainant, two representatives of the school should be involved in these measures. Caution should also be taken in selecting the interviewers so that their involvement does not impede a successful investigation and to assure that the interviewers understand their role and what may constitute prohibited conduct.
3. Interview the Alleged Harasser. In so doing follow all of the steps outlined in #1 and #2 above.
4. Determine whether a “mandated reporter” obligation exists which requires that a report be made to the Department of Children and Family Services.
5. Notification of parents as to the nature of the allegations and the investigative and decision-making process to be followed by the school.
6. Evaluating the evidence (i.e. is there sufficient evidence to conclude that the complaint of harassment has occurred?) Principals/DREs are urged to consult with the Diocese’s General Counsel.
7. Determine and communicate the appropriate disciplinary action.
8. Document the steps that have been followed, the corrective measures that have been taken.

While most harassment claims involve “sexual” harassment, the same principles apply to harassment resulting from the student’s or staff member’s race, religion, disability, national origin, etc. Therefore, harassment of these varieties should be dealt with as you would deal with sexual harassment.
